Launching the HOLMENKOL hi-tech coating range for watersports

Coating innovations in watersports

Ditzingen, 6 Juni 2005. HOLMENKOL launches the sale of highly innovative coatings for sailing sport in collaboration with sales partner Peter Frisch GmbH, Munich.

HOLMENKOL is offering sailing enthusiasts who enjoy recreational, touring and competitive sailing a new type of high performance product, which achieves new dimensions in handling, maintenance and improved performance.

AquaSpeed+glide:	High performance coating (polish) for underwater areas
SEALnGlide+glaze:	Hi-tech sail coating
LUBEnSPEED+glide:	Hi-tech glide and seal for fittings
CARE-Line:	Special care range for sailing clothing

HOLMENKOL Sport-Technologies is one of the oldest manufacturers of ski wax in the world and since 2002 has specialized exclusively in the development and worldwide marketing of highly innovative and environmentally friendly sports coatings based on state-of-the-art technologies. In 2004, HOLMENKOL was included in the "Top 100" list of most innovative medium-sized companies in Germany. In 2003, the NANOWAX product range was chosen as the No. 1 nanotechnology product worldwide by the US business and finance magazine FORBES.
